FORTS CAPTURED.

The Japanese Succeeded in Taking Three of Them Near Port Arthur.

MAKING AN ASSAULT ON THE CITY.

It is Reported That, to Escape Capture, the Russian War Ships Have Been Removed.

Severe Fighting Took Place at Kai Chau Which Resulted in the Capture of That Place By the Japs.

London, June 30.—The Tokio correspondent of the Daily Telegraph says that severe fighting took place at Kai Chau on June 25 which resulted in the capture of that place on the morning of June 26.

St. Petersburg, June 30.—The intense anxiety to receive news from Port Arthur was heightened Wednesday morning by receipt of a dispatch from Tokio stating that the Japanese had succeeded in capturing three of the forts of the naval base and were making the final assault upon the city. The war officials here have expected news from Port Arthur of an unpleasant nature. It is believed that the news of the latest fighting explains the announcement that the Port Arthur squadron had moved out from the harbor. Adm. Witthoft was given orders not to allow his squadron to be captured at all events and it is considered that, believing that the capture of the city might follow, he moved outside the harbor to await the expected approach of the Vladivostok squadron.

If the latter fails to appear it is expected that the Russians will make a desperate dash to get away and do as much damage as possible to the Japanese fleet. While the general public has watched the operations of Gen. Kuropatkin the war office has been more interested in Port Arthur and I am informed by a high official that it has been impossible to obtain complete news from the city because of the close investment by the Japanese, though it has been known that fighting has been continuous on the land and that the squadrons have also been assisting in the attack and defense.

Limo Yang, June 30.—It is unofficially stated that the Russian fleet put out from Port Arthur several days ago and encountered the Japanese fleet. In the ensuing engagements between the two fleets three ships were lost. No details of the engagement, however, are available here.

RUSSIAN BATTLESHIP RAMMED.

The Navarin Was Struck By the Iron-clad Netron Menia.

Cronstadt, June 30.—The Russian battleship Navarin, while returning to her anchorage Wednesday, was rammed by the Russian ironclad Netron Menia, which struck her amidships. The damage to the Navarin is not serious, though it may be necessary to dry dock the vessel. It is believed that the period required for repairing the battleship will not be a long one.

THE PURE FOOD CONGRESS.

Several Foreign Countries Will Send Over Representatives.

Lexington, Ky., June 30.—R. M. Allen, secretary of the international pure food congress, which will be in session at the World's fair in September, received a letter Wednesday night from Louis Duvrias, of Belgium, secretary general of the European League of Wood Manufacturers, stating that Belgium, Holland, France, Germany and Russia would accept invitations received from American ambassadors and send representatives and samples of product to the congress, September 26. The inspector general of foods in Belgium will contribute an address on the food laws and adulterations in Belgium. Secretary Allen recently returned from Europe, where he went to study food conditions. European manufacturers, he says, take great interest in American laws and food conditions on account of the great quantity of wines, beverages and other foods supplied.

Tobacco Culture in Ireland.

Washington, June 30.—The government of Ireland is inquiring into the question of tobacco culture and through Mr. Gill, its secretary of agriculture, who is now in this country, has asked Secretary Wilson to designate some tobacco expert.

London, Ky., June 30.—Near Pittsburg, in this county, John Davis shot and killed Henry Conking. Davis came to London and gave himself up and is now in jail. He claims the killing was accidental.

CANTRILL IN SERIOUS CONDITION

Striking Figure in Kentucky Political Life Critically Ill

Owenton, Ky., June 30.—The friends of Judge J. E. Cantrill, of Georgetown, are growing alarmed, and for the first time the truth is beginning to leak out regarding his condition. Two weeks ago Judge Cantrill came here to make a speech in his canvass for the nomination for appellate judge. After the speech he was seized with a partial stroke of paralysis, but it was thought the attack was not serious. Reports were given out that he would be out in a few days, but in the two weeks that have passed there has been no sign of improvement, and the distinguished patient is in too precarious a condition to be removed to his home. It is said by one of his friends that he is paralyzed from the waist down, and that there is serious doubts as to ultimate recovery.

Judge Cantrill is one of the most striking figures in Kentucky public life. A man of strong mentality, he has been an aggressive fighter in all contests into which he has entered. He is 6 feet 4 inches tall, and of striking appearance. As a young man he was a captain under Gen. John Morgan, the confederate.

He Confessed and Gets Three Years in the Penitentiary.

Covington, Ky., June 30.—Edward Meier, the Covington man of many wives, indicted recently for bigamy or complaint of Clara Getta Meier, whom he married in Newport, Ky., December 29, 1903, pleaded guilty in the Campbell county circuit court Wednesday and was sentenced to three years in the penitentiary. The indictment charged Meier had married Mary Green, July 15, 1901, and had never secured a divorce when he married Clara Getta. Following Meier's arrest several other wives appeared.

Residence Destroyed By Fire.

Williamstown, Ky., June 30.—The residence of August Bracht was destroyed by fire early Wednesday morning. The blaze started from a defective flue in the kitchen. Nearly all the furniture was saved and the occupants got out in safety. The house was insured for \$2,000.

Shot From Ambush.

Taylorsville, Ky., June 30.—Lonnie Linton, a young farmer, was shot by an unknown person while driving near Fairfield. It is said that five shots were fired. He was struck just above the right ear, the ball ranging back about two inches. He will recover.

Burglars at Williamstown.

Williamstown, Ky., June 30.—Burglars broke into the large general store of I. M. Lucky and carried away quite a quantity of clothing and a small amount of money. They effected an entrance by chopping out a panel of one of the rear doors.

Albert Freitag Bound Over.

Newport, Ky., June 30.—Albert Freitag, charged with the murder of his sister, Mrs. Annie Peters, was given a preliminary hearing before Judge Hissem and was bound over to await the action of the next grand jury, without bail.

Mrs. McKenzie's Condition Serious.

Bowling Green, Ky., June 30.—Mrs. James A. McKenzie, wife of Hon. Jas. A. McKenzie, who died Saturday at his home in Christian county, was too ill to accompany the remains to this city. Mrs. McKenzie's condition is regarded as very grave.

Woman Burned to Death.

Fort Thomas, Ky., June 30.—Miss Ollie Lindorf was burned to death at her home, on Weierick avenue, Wednesday morning. In endeavoring to revive a smoldering fire she poured kerosene on live coals. The can exploded.

Dangerously Cut and Stabbed.

Stanford, Ky., June 30.—Ed Salter, colored, cut the throat of Arthur Smith, colored, Wednesday afternoon, and stabbed him under the arm pit and in the abdomen. Smith is in a precarious condition.

BOOM FOR MILES.

Meeting Held in His Favor Was Attended by 400 Delegates and Was Enthusiastic.

MAY BE NOMINATED AFTER ALL.

A Majority of the New National Committee, However, is Opposed to the General's Nomination.

National Committeemen Met and Organized By Re-Electing Oliver W. Stewart, Chicago, Chairman, J. A. Tate, Secretary.

Indianapolis, Ind., June 30.—The national prohibition convention completed its organization Wednesday and adjourned till Thursday morning at 9:30. The new national committee was selected at state meetings and organized by re-electing Oliver W. Stewart, of Chicago, chairman, and J. A. Tate, of Harriman, Tenn., secretary.

A majority of the new committee is opposed to the nomination of Gen. Miles for president and favors a single issue. A Miles meeting Wednesday evening was attended by 400 delegates and was enthusiastic. John J. Woolley, editor of The Voice, announcing it as his belief that Gen. Miles would accept if nominated, though he admitted he did not know he would accept.

The anti-Miles following, which seems to have a majority of the delegates, has not agreed on any one can-

GEN. NELSON A. MILES.

didate. Oliver W. Stewart, national chairman, is mentioned, but he is a candidate for re-election to the Illinois legislature and has a salary of \$3,000 as national chairman, it is not certain he will agree to make the race. An officer of the new national committee said Wednesday night that a majority of the committee believed the nomination of Gen. Miles would be fatal to the party, as he was a democrat and would not control the entire party vote, and those opposed to him would fight the nomination to the last ditch.

Reference was made by Mr. Woolley and other speakers to Gen. Miles' record as against canteens and his alleged mistreatment at the hands of the administration. The meeting was enthusiastic. Gen. Miles was quoted on authority of Rev. D. B. Turney, of Illinois, as having said he voted the prohibition ticket in the last election and as being for the past four years a total abstainer. Other addresses were made by R. H. Patton, of Springfield, Ill.; Allen Coffin, of Massachusetts, and John Hector, of Pennsylvania, all favoring Miles' nomination.

The resolutions committee was in session from early in the afternoon till a late hour Wednesday night without coming to a final agreement. A subcommittee of 13 agreed upon a platform after a session of seven hours and submitted it to the general committee Wednesday night, which wrangled over it for several hours.

At the opening of the evening session several singers were heard, one song advocating putting Gen. Miles in the white house. This brought an enthusiastic Miles demonstration. About one-third of the delegates stood and cheered, waving flags and hats for several minutes.

Chairman Wolfenbarger announced that the resolutions committee was in session, but not ready to report.

Synopsis of the Platform.

That part of the platform agreed upon by the general committee includes six planks on the liquor question, holding it the most important issue, asserting that all systems holding it has a right to exist have proved failures, pledging the party to its abolition and holding that there is no real issue between the republican and democratic parties, the so-called issues being mere pretext over which they wrangle for office. Imperialism is touched only by a plank guaranteeing to all persons under the American flag the rights given by the constitu-

tion. A plank pledges reform in the divorce laws, the extermination of polygamy and the abolition of the present system of toleration of prostitution by fines. Trusts are not mentioned, but one plank advocates protection of the welfare of the people by a rigid application of justice to all combinations of capital and labor. The sound money plank proposed was struck out by the sub-committee.

FIRE IN NEW YORK.

Forty-Three Firemen Overcome, Four of Whom Will Probably Die.

New York, June 30.—Forty-three firemen, four of whom will probably die, were overcome by smoke and gas at a fire Wednesday in the sub-cellar of the double five-story brick building at 383 Broadway, extending through to Mercer street. Half a hundred employees were driven from the building and the damage is estimated at between \$150,000 and \$200,000. The fire was so situated that it was difficult to fight and it burned for more than two hours before it was brought under control. The smoke from the burning material was so dense and so pungent that the firemen could work in it for but a few minutes at a time, and many of those who braved it fell prostrate where they stood. Some who fell lay unnoticed on the floor for minutes and one man remained for nearly an hour before finally discovered and dragged to the open air.

The breaking of the gas mains inside the building and the consequent filling of the burning structure with illuminating gas added greatly to the difficulty and the danger.

TO DESTROY BOLL WEEVILS.

Colonies of Ants From Guatemala Are Coming.

Washington, June 30.—Secretary Wilson and Dr. B. F. Calloway, the directors of the bureau of plant industry, received the first advices from Dr. O. F. Cook, the department's traveling agent, since the latter started from Guatemala with the newly discovered ants intended to fight the boll weevils in the cotton fields. Dr. Cook cables from Puerto Cortes, Mex., that he will arrive at New Orleans on July 4 with 89 colonies of these ants. He will proceed immediately to the Texas cotton district to begin the campaign against the weevils.

THREATS OF LYNCHING.

The Militia Is Guarding the Jail at Okolona, Miss.

Okolona, Miss., June 30.—A company of state militia has been called to this city to protect the jail here in which is confined John Vaughn, a Negro, who is charged with the murder of Annie Lucas, the sweetheart of the prisoner. Threats of lynching had been made against Vaughn by members of his own race and the sheriff of this county wired Gov. Vardaman for troops as a guard for the jail. The governor promptly called out the local military company. All was quiet Wednesday night.

SHEET MILL WORKERS.

Representatives Meet to Discuss the Wage Scale.

Pittsburg, Pa., June 30.—The conference between the independent sheet mill workers and the wage committee of the Amalgamated association ended its first day of discussion without agreement. It will probably be seven days before a settlement is reached. The independent manufacturers ask the men to accept a 20 per cent. reduction below the scale of 1903-4, or 2 per cent. more than the American Sheet and Tinplate Co.

ORGANIZED MILITIA.

The Usual Allotment of Money Made to the States.

Washington, June 30.—Acting Secretary Oliver, of the war department, has made the usual annual allotment of the \$1,000,000 appropriated by congress to provide arms and equipments for the organized militia of the United States.

Among the appropriations made are the following: Indiana, \$29,921; New York, \$77,796; Kentucky, \$25,932; Ohio, \$45,879, and West Virginia, \$13,963.

Rigid Physical Examination.

Annapolis, Md., June 30.—Out of 25 youth who had passed their mental examination for admission to the naval academy and were examined physically, only 11 were successful. The physical examination is said to be unusually rigid.

Ex-Senator Mitchell Dead.

Milwaukee, June 30.—Former Senator John L. Mitchell died Wednesday night after a lingering illness. His entire family was at the bedside when he died. He had recently resigned as a member of the national board of soldiers' homes.

IS LOOMIS DEAD?

American Consul General Evans, in London, Declares His Belief That He Is.

FELL OR PUSHED FROM STEAMER.

Ellis, His Companion, Should Have Been Held and Asked to Straighten His Contradictory Stories.

His Brother, Assistant Secretary of State Francis B. Loomis, Visits the Family of Missing Man at Parkersburg, W. Va.

London, June 30.—"I am by no means satisfied with Ellis. He has kept on adding story to story, and none of them agree exactly. He should not have been permitted to depart until a more thorough examination had been made of the manner in which Kent J. Loomis met his death, if he is dead." These significant utterances are credited to Consul General Clay Evans, in this city. They only put in plain words what most of the papers here have been hinting. It is pointed out that the stories of Ellis present numerous discrepancies, which should have been straightened out before he was permitted to leave.

Consul General Evans declares that, in his belief, Loomis is dead, and that he did not commit suicide. He believes, rather, that he fell or was pushed from the steamer before it reached Plymouth. He will not say that he believes that Loomis fell from the boat.

Marietta, O., June 30.—Hon. Francis B. Loomis, assistant secretary of state, arrived here Wednesday night on a double errand, to visit the wife of his brother, now mysteriously missing, at Parkersburg, and gather some information necessary to the investigation now going on and to see his uncle, J. D. Cadwallader, who is critically ill at Marietta. To a press representative he gave the following statement regarding the mysterious disappearance of his brother.

"I have no theory to advance at this time. When I first learned of my brother's disappearance I did not allow myself to become alarmed, as I had a feeling that perhaps he had planned to leave the vessel at Plymouth, go to London, thence to Paris and from there to Marseilles, where he was to have taken the steamer some time Saturday. Not hearing of his reaching Paris or Marseilles I then felt considerable alarm, and it has continued to increase every day since."

"Any theory I might have now would have to be based on the statements of Mr. Flamm, and he is decidedly positive that Kent Loomis went ashore at Plymouth. If he is correct, I have hopes that my brother will be found." While in Parkersburg Wednesday Secretary Loomis made careful inquiry as to the jewelry and clothing worn by his brother. The description of the jewelry will be wired to Plymouth at once with the hope that if foul play has been indulged in the jewelry will be found in some of the shops there.

Mr. Loomis states that the clothing, certainly the long overcoat and possibly the cap worn by his brother, tallies exactly with the description given by Mr. Flamm, and strengthens his belief that Kent Loomis went ashore at Plymouth.

DEATH OF COL. BRIGHAM.

DEMOCRATIC TICKET.

For Congress,
JAMES N. KEHOE of Mason.

HON. JOHN SHARP WILLIAMS of Mississippi has been selected for the temporary chairmanship of the Democratic National convention at St. Louis. Congressman Kehoe was the first to suggest the House leader for the temporary chairmanship.

ROASTS BRYAN.

Col. Vincent Perkins, former Kentuckian, who worshipped at Nebraskan's Shrine, now declares him a false prophet.

CHICAGO, June 28.—"William Jennings Bryan is the John Alexander Dowie of the Democratic party. He is a false prophet and is after self-aggrandizement every minute he is not asleep. He is actuated by selfish motives and is animated by sordid sentiments. His conduct is contemptible beyond measure."

In these words Vincent H. Perkins, formerly of Lexington and Maysville, Ky., and heretofore an ardent Bryanite, vented the wrath of the Bobby Burke wing of the local Democracy on the Nebraskan for his temerity in promising to advocate the cause of the Carter Harrison delegates in the contests before the Democratic National Committee at St. Louis.

The utterance brought bursts of frenzied applause that wrought the orator to still further flights of sarcasm, and then Charles J. Stevenson, President of the Tuscarora Club, the Burke "Tammany" on the North Side, took the floor and with tears in his voice tossed another large bouquet at the "peerless leader." In a fine show of fancy he rose superior to the limitations of the dictionary and referred to Bryan as an "alienist."

The oratorical tempest was a curtain raiser for a stormy conclave, in which the Burke men evinced a disposition to keep away from St. Louis. After the last fulmination had died away the members of the faction who had expected to attend the convention as claqueurs for William Randolph Hearst were treated to a needle bath that gave their ambition a cold chill.

It was Perkins who went as emissary before the Iroquois Club last year and told the members that Bryan could not appear at the same banquet with Grover Cleveland without damaging pride and principles.

BRECK-HALL NUPTIALS.

"Rose Hill" the Scene of a Beautiful Wedding Wednesday Evening at 8 O'clock.

Rarely has a more beautiful wedding been witnessed in this county than that of Miss Mary Orear Hall and Mr. Daniel Hampden Breck which was solemnized Wednesday evening at 8 o'clock at "Rose Hill," the picturesque and historic home of Miss Mary Pickett, aunt of the bride.

The house was prettily decorated, the room in which the ceremony took place being in white and green. To the strains of Lohengrin's wedding march, exquisitely rendered by Miss Lida Berry and Prof. Bullett, the bridal party entered, preceded by the two lovely little flower-girls, Misses Elizabeth Givens and Julia Jenkins; then came the small ring-bearer, Master James Tribble, followed by Miss Mary Pickett, the maid of honor. The ceremony was performed in a touching and impressive manner by the white-haired father of the bride, Rev. W. W. Hall.

The bride was handsomely gowned in a dress of white organdie and lace and carried a beautiful bouquet of Bride roses. Possessed of a most lovable disposition, she is universally admired, and the groom is certainly to be congratulated on his choice of a companion and helpmeet.

After the ceremony an elegant supper was served in the tastefully decorated dining room, and many warm congratulations were showered upon the happy pair.

Among the guests present from a distance were Miss Breck, sister of the groom, and Mr. Langford, of Richmond, Miss Holmes, of Covington, Dr. and Mrs. J. Stewart Wallingford, of Paris, and Mrs. Hardin Lucas, of Chicago. The esteem and regard in which the bridal couple are held was testified by the many handsome gifts which they received. They left on a late train for a short bridal tour after which they will be at home at Richmond, Ky.

THE CROP OUTLOOK.

Corn and Tobacco Doing Well—Wheat Harvest in Progress—Fruit Prospects.

(Weekly Bulletin Weather Bureau June 28th.)

The temperature averaged slightly above the normal during the week. The rainfall coming in local showers, was unevenly distributed, some localities having good rains and others very little.

The wheat harvest progressed well and is nearly completed in the Western Section. The acreage is considerably below the average, but the yield and quality promise to be very good. The setting of tobacco was about completed during the week and the plants are making a good growth. The acreage will be less than usual. Corn made a rapid growth and is looking well, but will be late. It has been well worked and some early fields have been laid by. Oats have headed low and will not make a full crop. Rye is looking well. Irish potatoes and gardens look promising, but need more rain. Hemp is making a good growth.

Peaches and apples are doing fairly well, though there is some complaint of apples falling off. Blackberries give promise of a good crop. Cherries are ripe and quite good.

Some hay has been cut, the yield is generally below the average and quality poor on account of weeds; this is especially true of timothy hay. Pastures are in fair condition, but need rain in many localities.

Farm work is well up and crops generally well cultivated.

SURPRISED THEIR FRIENDS.

Mr. Harry Robinson and Miss Alice Lee Payne Married Last Evening at Newport.

Mr. Harry Robinson and Miss Alice Lee Payne stole a march on their friends Wednesday evening and were quietly married at Newport, Rev. J. P. Whitehead officiating. While the couple have been devoted sweethearts some time, the news of their marriage came as a surprise to most of their friends.

Mr. Robinson and Miss Payne were among those who went to Covington Wednesday to attend the marriage of Mr. Arthur Payne and Miss Elizabeth Kearns. During the afternoon they returned to Newport, and after procuring the necessary papers were quietly wedded at the home of the officiating minister.

Mr. Robinson has a position as telegraph operator and clerk in the L. and N. office, and his exemplary conduct and genial disposition have won him a host of friends. His bride is a daughter of Mrs. Payne, Matron of the Alms House, and is one of the city's lovely and most estimable young ladies.

Mr. and Mrs. Robinson arrived home last night and are to-day being showered with congratulations and good wishes.

PEARCE--DUMESNIL.

Son of Cashier Charles D. Pearce of State National Bank Weds a Charming Young Lady of Louisville.

[Courier-Journal, June 29th.]

The last of the June weddings was solemnized yesterday evening at 7 o'clock, when Miss Katherine Dumesnil and Mr. Walter Haldeman Pearce were married at "Hayfield," the country home of Mr. and Mrs. Robert Tyler, with whom the bride has made her home.

The house was beautifully decorated with the flowers which grow so plentifully on the place—sweet peas, poppies, hollyhocks, daisies—besides palms, rubber trees and other growing plants.

The ceremony took place in the library in front of the window, which was banked high with palms and other growing plants.

The bridal party entered the room through the adjoining dining-room to the bridal chorus from Lohengrin played by a harpist. Dr. Charles Ewell Craik, dean of Christ Church Cathedral, the officiating clergyman, came first followed by the maid of honor and best man, Miss Mary Ormsby Dumesnil, the bride's sister, and Mr. Lewis Y. Johnson. They were followed by Miss Dumesnil, who entered with Mr. Pearce. She was given in marriage by her father, Mr. Antoine Dumesnil.

Miss Dumesnil wore a beautiful gown of ivory white satin made with heavy cords and trimmed with real lace. The gown was finished with a girdle and collar of pearls.

Mr. and Mrs. Pearce left last night for Cincinnati, on their way to the lakes where they will spend two weeks. They will then go to Maysville to spend two weeks with Mr. and Mrs. Charles Pearce before going to Estill Springs for a short stay.

Upon their return to Louisville, they will be with Mrs. Walter N. Haldeman, the groom's grandmother, until September 1st, when they will go to house-keeping.

The double track on the C. and O. railroad between Ashland and Russell was put in full operation this week. This completes the double track between Russell and the Guyandotte bridge.

Two hundred and ninety cattle belonging to Graves & Clark of Lexington and which have been fed at the Pogue distillery in the West End, were shipped to market Wednesday. Two of the bunch gave the drivers a lively chase and finally escaped by swimming the Ohio river.

Judge Hutchins filed two divorce suits in the Circuit Court Wednesday. Mrs. T. E. Taylor of the East End sues Abram M. Taylor for a dissolution of the marriage bonds. Taylor is a lawyer, and the couple were married less than a year ago. The other suit is that of Tony Marshall against Anna Marshall.

Tilden Daniels, who shot and wounded Kemp Ball one night last year, was tried in the Circuit Court Wednesday, the jury returning a verdict of not guilty. Ball, with other members of the State Guards, had gone to Daniels' home to look for a brother of the latter, and in the dispute that arose the shooting was done.

Chief of Police Donovan and Policeman Senteney have recovered an elegant pin set with diamonds and pearls stolen from Miss Nellie Bowden by Frank Taylor at the time he stole her gold watch this week. Taylor denied repeatedly that he got the pin, but at last confessed to the Chief and told where the pin could be found. He had given it to his adopted mother, Ellen Mosee, and told her he found it.

Very Rev. Thomas B. Donovan, rector of Epiphany Apostolic College, Walbrook, Baltimore, and the first seminarian to enter St. Joseph's Seminary when the doors of that institution were opened for students in September, 1888, was unanimously elected superior of St. Joseph's Society for the Negro Missions, to succeed Very Rev. J. R. Slattery, who resigned last winter. Father Donovan formerly resided at Flemingsburg and has some relatives in this county.

LARGE AND ENTHUSIASTIC.

The Annual Convention at the Christian Church One of the Best Ever Held in This District.

The annual convention of the Christian Church, C. W. B. M. and Sunday schools of the Twelfth Kentucky district is probably the largest and most enthusiastic ever held in this part of the State. During the first day a total of about eighty-five representatives from the various congregations of the district and visitors from outside the district were enrolled. Among the ministers present are State Evangelists H. W. Elliott and Robert M. Hopkins and Elders Irvin, Carpenter, Humphrey, Blakemore, Pfanstiel, Barnes, McCallum, Giddins, Moss and Buckingham, and Editor J. T. Brown of the Christian Companion, Louisville.

Wednesday's session was devoted to the work of the C. W. B. M., Mrs. B. W. Burdette, District Manager, presiding. Several very excellent papers, treating of the different phases of missionary work, were read. Among these were Mrs. Zubie Fox's paper outlining the "Work of the County Manager," Mrs. C. W. Henderson's on "Kentucky's Special Work" and the "Junior Work" by Miss Edith Lander. Miss Pearl Mahaffey of Hillsboro, O., read a very interesting paper on "A Quiet Hour," in which she very strongly impressed upon her hearers the importance—nay necessity—of a season of prayer and Bible study each day if Christians would grow spiritually. An address, "Our National Watchword," was delivered by Mrs. Abner Hord.

The Junior C. E. Society conducted the devotional exercises in the afternoon and the little folks delighted all and were a credit to those who have been their faithful instructors. Special mention should be made of a little visitor, Tabb Craven, a wee man of about three or four years, son of Mrs. Katherine Tabb Craven of Cincinnati, who sang a medley of sacred songs.

The convention also had the very great pleasure of listening to two solos rendered by Mrs. Hardin Lucas of Chicago, "If I Were a Voice" and "Hear Ye, O Israel." Mrs. Lucas is one of Mason County's charming and accomplished daughters, and when Mrs. Burdette remarked that "Mason County had given a great deal to Chicago," every one heartily agreed with her. The address of the afternoon on "Our Mountain Missions" was to have been delivered by J. H. Derthick but sickness in his family prevented his coming, and Mrs. Ida Harrison and Mrs. Sarah Yancey, the State C. W. B. M. President and Secretary, very ably filled his place and gave much valuable information in regard to this work. Mrs. Yancey stated briefly the great need of funds to carry it on. In response to her appeal for offerings the sum of \$224.60 was soon contributed.

The election of officers resulted as follows:

District Manager—Mrs. B. W. Burdette. Assistant District Manager—Mrs. L. M. Mills. County Managers—Mason, Mrs. Zubie Fox and Mrs. S. M. Myall; Robertson, Miss Mary Taylor; Bracken, Miss Nettie Ware; Lewis, Miss Hattie Hillis; Fleming, Miss Rosa Young.

The devotional service in the evening was conducted by Miss Mary Finch, after which the State President, Mrs. Harrison, delivered a very instructive address on the work. The C. W. B. M. has 206 members in this district, with five Junior bands. Their total offerings last year were close to \$850, the juniors contributing \$91.77. The Beasley Auxiliary was awarded the banner.

The ladies of the church served a bountiful lunch in the chapel at noon, and lemonade after the evening service. The delegates are being hospitably entertained. To-day's session will be devoted to the work of the Sunday schools and church in general, the meeting closing this afternoon at 4:30.

Breakfast food and strawberries.—Calhoun's.

In the Circuit Court Wednesday Salley & Slattery secured a new trial for Wm. Finn, alias Lowrey, who was convicted at the last term and given ten years in the penitentiary for stealing a diamond stud from Mr. W. R. Varian on the day Barnum & Bailly's show was here last fall. Finn has been in the "pen" several months, but will be brought back now and have a new trial in November.

C. D. McCartney, a merchant located at Wallingford, filed a deed of assignment to his brother, F. H. McCartney, this week. The assets and liabilities are not given. The leading creditors are: M. C. Russell Co., W. S. Fant, Marx & Sticks, Merz Bros., Minor & Dixon, Deposit Bank Pearce, Fant & Co., and Jno. P. McCartney. The assets are comprised of a house and lot, about twenty-five acres of land and a stock of goods, accounts etc.

Cyrus Case met with quite an accident Saturday evening. He has a vague comprehension of just how it occurred. He was driving a horse and spring wagon near the barn of Mr. Geo. Sedden when he remembered the lines falling from his hands, and it is supposed that in attempting to regain them he was precipitated from the wagon, and the horse either kicked him, or dragged the wagon wheel over his head, which was considerably bruised, rendering him unconscious. Mr. Sedden was not at home, but finally the hired boy heard his cries of distress and came to his assistance. After a time, he regained consciousness sufficient to get on his horse, which with natural instinct took him to his home. Mr. Case is an industrious and worthy citizen, and it is hoped that his injuries, though severe and painful, may not be of long duration.
